Dear Mr.Shook:

In response to your letter of October 21, 2004, this letter is submitted.

With regard to the "substantial increase in the amount of receipts and/or disbursements from those disclosed on your original report," two disbursements which should have been included in the April Quarterly Report were inadvertently omitted:

1. A \$15,000.00 disbursement to the DCCC on 03/29/04.
2. A \$1000.00 disbursement to Hereeth for Congress on 03/16/04.

An amendment to the April Quarterly Report reflecting these disbursements was filed on 10/06/04.

The Friends of Jim Clyburn Committee makes a full faith effort to comply with Federal Election Law. If the Commission has further questions, please do not hesitate to the Committee at (803) 854-0006.

Sincerely,

Angela D. Clyburn, Treasurer
